### Education

University of California, Los Angeles	Urban Planning	Ph.D., Dean's Award for Overall Excellence	1985
University of California, Davis	Anthropology	M.A.	1979
University of California, Davis	Interdisciplinary Independent Major: Land Ethics	B.A. with Honors	1974

### Current Positions

2013-	Professor in Residence, Institute of the Environment and Sustainability, UCLA
2007-	Researcher, Institute of the Environment, UCLA
2007-	Adjunct Professor, Urban Planning, UCLA
2007-	Founding Director, California Center for Sustainable Communities, Institute of the Environment, UCLA

### Professional Employment

2020	Fulbright Distinguished Chair Manchester University
2017	Visiting Scholar, Research Institute on Humanity and Nature, Kyoto Japan
2017	Visiting Scholar, University of Manchester Geography Department
2013-	Professor in Residence, Institute of the Environment and Sustainability, UCLA
2010-2013	Adjunct Professor, Director, Institute of the Environment and Sustainability, UCLA
2007-2010	Research Social Scientist, US Forest Service, Pacific Southwest Research Station
2009	Professor, International Masters of Public Administration Program, Institut d'Etudes Politiques, Paris
2007-	Researcher, Institute of the Environment, UCLA
2007-	Adjunct Professor, Urban Planning, UCLA
2007-	Founding Director, California Center for Sustainable Communities, Institute of the Environment, UCLA
2006	Professor, International Masters of Public Administration Program, Institut d'Etudes Politiques, Paris
2004-2006	Visiting Professor, Institute of the Environment, UCLA
2004	Invited Professor, Institut d'Urbanisme de Paris, Universite de Paris XII
1998-2003	Associate Director, Center for Sustainable Cities, and Research Associate Professor, Geography Department USC
1997-1998	Adjunct Professor, School of Policy, Planning and Development, USC
1996	Fulbright Researcher, Paris
1987-1988	Lecturer, Graduate School of Architecture and Urban Planning
1985-1986	Fulbright Junior Professor, Institut d'Urbanisme de Paris, Universite de Paris XII

### Honors

- 2019 American Association of Geographers Meredith Burrill Award for important academic work with real world problem solving
- 2007 Inland Empire Chapter, American Planning Association, Academic Award, Habitat Conservation Planning in the Coachella Valley Report
- 2000 American Planning Association Award for Best Project USC School of Policy, Planning and Development in PLUS 676L: "Rediscover: Eco-Tourism, Two Harbors, Catalina," Los Angeles Division,
- 2000 Phi Kappa Phi Faculty Recognition Award, University of Southern California, Best Book of the Year
- 1996 William Fulbright Senior Research Fellowship, Paris, France
- 1994 US Forest History Society Ralph S. Hidy Award for Best Article, *Forest and Conservation History*
- 1992-1994 UC Berkeley, V.S. Ciriacy Wantrup Fellowship in Natural Resource Economics, Dept of Forestry and Geography
- 1985-1986 William Fulbright Fellowship, University of Paris
- 1985 Dean's Award for Overall Excellence, Graduate School of Architecture and Urban Planning, UCLA
- 1982-1983 Jean Nidetch Doctoral Dissertation Fellowship

### Professional Memberships

American Planning Association  
Association of American Geographers  
California Studies Association

### Research Interests

Cities in the Anthropocene – the post carbon transition  
Land use in cities and urban regions and transformation of natural environments and sustainability – socio-ecological research  
Urban metabolism  
Institutional analysis  
Equity impacts of urbanization and use of natural resources  
Implementation strategies for sustainability  
Integrated biophysical and social analysis of complex urban systems

### Teaching

- Cities in the Anthropocene
- Land Use and the Environment.
- Political Institutions and Environmental Policy Implementation.
- Urban Sustainability.
- California Environmental Politics and Urbanization and Geography.
- U.S. Evolution of Social Policy.
- Urban Environmental Problems.
- Public Lands Management.
- Comparative Environmental Politics U.S./E.U.
- Social-Environmental Ways of Knowing.
- Urban Agriculture.

### Languages

French - Bilingual  
Spanish - Conversational and Reading

## Book

Pincetl, S. *Transforming California, The political history of land use and development*. Baltimore, MD: Johns Hopkins University Press. 1999. Paperback issued 2003.

## Peer-Reviewed Scientific Journal Articles

## **Public Interest Urban Sustainability**

www.spincetl.com

### Interactive Web Energy Atlas for Los Angeles County

Web atlas displaying building energy use (electricity and natural gas, combined BTU + GHG emissions) based on address level billing data for all of Los Angeles County. Displays building energy use by neighborhood, city and council of government by building type, age, square foot and use. Provides analysis of solar potential. Describes building energy use by income and ownership. Overlays county assessor data, census data and Cal Enviro Screen.

### Interactive Web Water Atlas for Los Angeles County

Web atlas of all water providers in Los Angeles County, showing boundaries, median income, average annual water use, type of water provider (public, private and non-profit). Adds ground water resources and management.

## **Grant Funding**

### Current

2020	Energy Atlas. Southern California Edison. \$272,727.
2018-2020	Strategic Growth Council: Coupling Community Knowledge with Big Data Tools to Facilitate Equitable Energy Transitions, \$638,881.
2018-2020	California Energy Commission: EPC17-050, Using Big Data to Holistically Assess Benefits from Building Energy System Transition Pathways in Disadvantaged Communities, \$1,098,662.
2018-2019	County of Los Angeles: Los Angeles County Sustainability Plan, \$638,188.
2018	County of Los Angeles: Interactive Web-Based Energy Atlas to Improve Energy Efficiency and Climate Planning in Performance for the County of LA, \$350,000.
2017-2018	California Energy Commission: PIR 16-023, Evaluation of Community Scale Solar Water Heating in Los Angeles, \$240,404.
2016-2018	California Energy Commission: EPC15-007, Climate Change in Los Angeles County: Heat and Grid Vulnerability, \$500,000.

### Past

- 2017-2018 Los Angeles Department of Water and Power: Mapping Electricity and Water Data, \$150,000.
- 2016-2018 California Energy Commission: EPC15-061, Accelerating AEC Deployment Around Existing Buildings in Disadvantaged Communities Through Unprecedented Data Analysis and comprehensive community engagement, \$1,410,904.60.
- 2014-2018 County of Los Angeles: Interactive Web-based Energy Atlas to Improve Energy Efficiency and Climate Planning in Performance for the County of LA, \$1,575,000.
- 2013-2017 Los Angeles County Metropolitan Transportation Authority: A Greater L.A.: The Framework for Regional Climate Action and Sustainability, \$510,154.17
- 2012-2017 NSF-WSC-Category 3: 20141693, Collaborative: The Role of Local Water Resources in the Water Sustainability of Los Angeles, \$1,025,640.98.

#### Invited Presentations & Key Note Addresses

- 2019 International Conference on Applied Energy: Critical Data for Energy Transitions: Lessons from California. Invited Keynote speaker.
- 2019 University of Victoria: Accelerating Energy System Transformation EnVision 2019 Energy Vision Conference May 2-3.
- 2018 Research Institute for Humanity and Nature, Kyoto. The Anthropocene and the Humanities. December 13-14
- 2018 American University of Beirut: Energy Transitions Conference December 6.
- 2018 SESYNC workshop on Changing Urban Forests November 12-15
- 2018 University of Colorado, Boulder School of Law: What Lies Beneath – Groundwater Use and Management
- 2018 University of Oklahoma Seminar on Cities in the Anthropocene
- 2018 International Society for Industrial Ecology Webinar on City Futures for a Post Carbon Age
- 2018 California State Energy Commission Expert Panel on Scaling up Clean Energy Solutions
- 2017 Lawrence Berkeley Labs Presentation on Energy Atlas for the International Energy Association Annex 70
- 2016 Association of Pacific Rim Universities, Sustainable Cities and Landscapes
- 2016 Resource Futures for Sustainable Urbanization Research Symposium
- 2016 Summer Institute of Urban Studies, s26-30, University of Manchester, Manchester UK
- 2016 Advisory Committee for Environmental Research and Education to the National Science Foundation: Future of Sustainable City Research. National Science Foundation
- 2015 Cal Tech Water Workshop, Resnick Institute. Water Resilience and Sustainability: Can we Make LA Water Self-Sufficient
- 2015 University of Toronto. Cities of Learning: The University in the Americas. Helping Cities Navigate Global Climate Change: A Critical Role for Urban Research Universities
- 2015 Architectural League and Institute for Sustainable Design. The Institutional Architecture of Water Management in Los Angeles County. New York City
- 2014 CUASHI 4<sup>th</sup> Biennial Colloquium on Hydrologic Science and Engineering Science. “Water across the critical zone: Scaling from Local to Global Hydrology. Shepherdstown WV
- 2014 Gordon Research Conference, Plenary Presentation: An Urban Metabolism Approach to Los Angeles
- 2014 University of California Drought Summit, Challenges and Opportunities: Water Management in California’s Regions – what do we not know? Keynote
- 2014 National Academies of Science Graywater/Stormwater Research Council meeting

- 2013 Governing FutureStructure, Built Environment Summit, Key note address for Governing Conference, sponsored by Governing, e-republic. San Francisco
- 2012 University of California Center Sacramento, invited lecture
- 2012 Keynote Panel: The Center for Dialogue and Analysis on North America “Sustainable Cities: What are They, and How do We Get to Them?” Invited Speaker. Mexico City
- 2010 National Conference: A Community on Ecosystem Services, Gila Indian Community, Arizona. Ecosystem Services and Urban Metabolism studies,
- 2010 Arizona State University Long Term Ecological Research Central Arizona Project annual meeting Key Note Speaker
- 2009 Issues in Urban Sustainability. Worcester Polytechnic University
- 2009 Implementing a Nature’s Services Infrastructure: the Case of a Million Trees Los Angeles National Conference on Ecosystem Restoration,
- 2009 The Yet Uncertain Science of Valuing Nature’s Services, Oak Woodlands Strategic Alliance, Los Angeles County
- 2009 Sustainability and the Colorado River: Trade-offs in Southern California. Environment Now
- 2009 Agir sur l’environnement; Los Angeles, divers programmes opportunistes, disparates et contraintes. Institut d’Urbanisme, Universite de Paris XI
- 2009 Plans Climat: Ville, Region, Etat: Un panorama des Challenge en Californie du Sud, University of Geneva
- 2009 Global Green USA, Green Urbanism Leaders Summit
- 2009 Distinguished Speaker University of California Geography Graduate Group speakers series on the History of California’s Landscapes: The Political History of Development in Southern California
- 2008 Planting a Million Trees in Los Angeles, What have we Learned: Two Years of Research. A Conference on Ecosystem Services, Naples Florida
- 2008 Department of Defense workshop on sustainability
- 2008 Cambria Land Trust, It’s the Land Use, Not the Fires, Not the Water. Where do We Go From Here?
- 2008 American Planning Association, California Section. Invited speaker on panel: Is a State Plan Necessary for California?
- 2007 Planning and Conservation League Symposium, The Need for a New Land Use Paradigm,
- 2006 Centre de Sociology des Organizations, Centre National de Recherche Scientifique, Coupled Social/Biophysical Science Urban Research, New Research in the City
- 2006 University of Hull, Geography Department. The Imperial Valley of California, What Issues for Sustainability?
- 2006 University of Lisbon, Physics Department, Coupled Social/BioPhysical Science, Urban Research on Sustainability
- 2005 Twenty-fifth Biennial Ground Water Conference of the UC Center for Water Resource And the Fourteenth Meeting of the Groundwater Resources Association Sacramento
- 2005 The Future of Metropolitan Landscapes, Landscape Architecture and Environmental Planning, UC Berkeley
- 2004 California at Fifty Million, Colloquium Series, Institute of Urban and Regional Development, UC Berkeley
- 2004 Attorney General Bill Lockyer, invited presentation on the Future of Urban Parks in California. Organized session
- 2004 California Air Resources Board, invited presentation on Environmental Health Land Use Guidelines, Study Session
- 2003 Southern California Water Committee: Is Water Self-Reliance a Poison or Panacea?

- 2003 American Society of Environmental History, Keynote speaker, Mainstreaming the Marginal, Environmental History and Environmental Justice, Rhode Island
- 2003 Keynote speaker, Stanford University, Historical Trends in Land Use Planning in the West” Conference on Land Use Planning Then & Now: Twentieth-Century Realities in the Metropolitan West. Program for the Study of the North American West
- 2003 Nature’s Services in a Dense Urban Environment, Tools for Analysis, University of New Mexico, Economics Department
- 2002 *Ecole Nationale des Ponts et Chaussées and Institut National de Recherche Agronomique* ,A Green Infrastructure for the American City in the 21<sup>st</sup> Century (*Un Cadastre Vert Pour la Ville Americaine au 21eme Siècle*)
- 2002 California Water Policy Conference, 12<sup>th</sup> Annual, The Mastery of Mastery, keynote address, Los Angeles
- 2002 SENSA State University of Paraná “Social Movements and the Urban Environment in the Los Angeles Region” National Workshop on “Urban Social Impacts: Challenges and Solutions,” Curitiba, Brazil
- 2000 UCLA Geography Department colloquium “Transforming California, a Political History of Land Use and Development,” Seminar series
- 2000 Nature, Science and Society (Natures, Sciences, Sociétés, Journées 2000) Conference, Paris, France, Urban Sustainability and Nature – What is at Stake? *La Durabilité Urbaine et la Nature: Quels Enjeux?*
- 2000 Second Sustainable Cities Network Conference, Manchester England, Perspectives on Balancing Economic, Social and Environmental Goals for a Sustainable Future
- 2000 Social Venture Network Conference, Los Angeles “Eco-Industrial Parks and Design for Environment, Emerging areas for Entrepreneurial Investment,”
- 1998 National Science Foundation Research Workshop, Towards a Comprehensive Geographic Perspective on Urban Sustainability Center for Urban Policy Research, Rutgers University

#### Invited Workshops

- 2015 Cities of Learning: the University in the Americas. A symposium at the University of Toronto, May 11-12, Panelist.
- 2015 The Architectural League NY. The 5,000 LB Life. The Institutional Architecture of Water Management in Los Angeles County
- 2014 Consortium of Universities for the Advancement of Hydrologic Science Inc. Water Across the Critical Zone. The Management of Urban Water – What We Don’t Know Can Matter
- 2014 International Pavement Life Cycle Conference. Urban Metabolism What is it and Why is it Useful? April 25
- 2014 California Drought Summit Challenges and Opportunities: Water Management in California’s Regions: what do we not know?
- 2014 Gordon Research Conference . An Urban Metabolism Analysis for Los Angeles County, June 1-6
- 2013 Infrastructure Transitions for the 21<sup>st</sup> Century City; Toward Future Structure, Governing Inc. Nov. 11-12
- 2013 Workshop on Human-Carbon Interactions in Urban Systems, University Consortium for Atmospheric Research, October 16-18, Boulder, CO.
- 2012 National Academy of Sciences Workshop, Urban Ecosystem Services, Washington DC. Invited speaker, October 29-30, (postponed due to weather)
- 2012 ESPSRC Retrofit 2050 International Urban Retrofit Workshop: Theories and Concepts, Dynamics and Practices, Politics and Implementation, Manchester UK. September 13-14
- 2011 Pickett et al., Second workshop of Equity and Urban Ecosystem Services, National Center for Ecological Analysis and Synthesis

- 2011 National Climate Assessment Workshop: National Cross Cutting Issues, Columbia,
- 2011 National Climate Assessment workshop: Southwest region technical report authors, Boulder Colorado,
- 2011 Linking Ecology and Ethics for a Changing World: Values, Philosophy and Action, Carey Institute,
- 2010 Pickett et al workshop of Equity and Urban Ecosystem Services, National Center for Ecological Analysis and Synthesis
- 2006 Costanza et al workshop on Ecosystem Services, National Center for Ecological Analysis and Synthesis

Conferences

- 2019 American Association of Geographers. Land Development and Electrification.
- 2016 American Association of Geographers. Smart and Sustainable Cities Panel Chair, Sustainable Cities Panel Chair
- 2015 American Association of Geographers. Theorizing Political Industrial Ecology Questions
- 2014 A Community for Ecosystem Services. Urban Forestry Research and Tools for Ecosystem Services Decision-Making. Washington DC
- 2014 American Society for Environmental History, Risk and the Suburbs: Historical Political Ecologies of Fire, San Francisco
- 2013 Conference of the European Society for Environmental History. The Restoration of the Los Angeles River, an Opportunity for Revaluing Real Estate, or Reintroducing Nature?
- 2011 Expanding Urban Metabolism: Coupling Methodologies and Integrating Social Factors, a Pilot for Los Angeles County, American Geophysical Union
- 2011 Climate Planning in the Fragmented Metropolis: Los Angeles the Locus of Experimentation, American Association of Geographers
- 2010 Green Jobs or the New Quick Fix? Musings Toward an Analysis, American Association of Geographers

#### Invited Scholar

- 2020 Distinguished Fulbright Scholar, Geography Department, University of Manchester, Geography department.
- 2017 Research Institute for Humanity and Nature, Kyoto Japan
- 2017 University of Manchester Geography Department

#### Administrative, Research, and Organizational Leadership Positions

- 2020 *Faculty Senate Representative for UCLA*, Advisory Committee to Alianza UCMX Advisory Committee
- 2019 *Co-lead*, Los Angeles County Sustainability Plan
- 2017 *Co-Author*. Sustainable Urban Systems research recommendations for the AC-ERE.
- 2017 *Co-Author*, State of the Carbon Cycle Report 2, Chapter on Cities
- 2001-13 *Lead Author*, Urban Chapter, Southwest Technical Report National Climate Assessment
- 2011-13 *Contributing Author*, Urban Section, National Climate Assessment,

- 2008- *Steering Committee*, L. A. Regional Climate Change Collaborative Fund. Developed, coordinated with academic research, leadership of approach to regional issues
- 2007-08 *Appointee*, Governor's Taskforce on Alluvial Fans
- 2005 *Member*, Los Angeles City Bureau of Reclamation Steering Committee. Implemented policy for the Mayor's One Million Trees for Los Angeles initiative
- 2004 *Consultant*, Bureau of Sanitation, City of Los Angeles. Developed sustainability indicators for Regional Integrated Plan
- 2004 *Stakeholder Representative*, Santa Ana Watershed Protection Authority. Developed innovative integrative environmental watershed management approaches for conserving prime alluvial ground water recharge capacity for San Bernardino County, 2002-2004.
- 1992-2000 *Chair*, Board of Directors, Communities for a Better Environment. Led transition from a traditional environmental advocacy organization to an environmental justice organization. Initiated interface between academic research and CBE's urban environmental health, land use, and justice program. Shaped fund development content and proposals. Managed organization and led Board
- 1997-98 *Consultant*, The California Endowment, California Institute of Technology team. Developed indicators of Multicultural Health Care Provision in L.A. County. Acted as interface between grant makers and academic research, including urban environmental health considerations and immigration. Developed policy recommendations for Foundation funding in region
- 1996 *Fulbright Scholar*, Paris France. Studied comparative environmental justice, urbanization and gentrification
- 1994 *Consultant*, Interdisciplinary Urban Research Project, (Projet Interdisciplinaire Villes), of the French National Center for Scientific Research (Centre National de Recherche Scientifique). Reviewed all urban research funding, wrote critical evaluative report to guide further funding by agency
- 1992-94 *Member*, Steering Committee and Implementation Team for California Spotted Owl Assessment for the US Forest Service, Pacific Southwest Region, California Department of Forestry and Fire Protection, and the University of California Wildland Resources Center. Set agenda for research on Southern California chapter and wrote analysis and policy recommendations

Professional Service

- 2020 Advisory Committee: Healthy Soil for Healthy Communities Initiative, TreePeople Accelerated Climate Resilience, Rockefeller Foundation.
- 2019 NSF panel, proposal reviewer for Hydrology and INFEWS
- 2015 to present Editorial Board *Frontiers in Urban Ecology*
- 2015 Appointed Regional Planning Commissioner for Los Angeles County
- 2014 Board Member Theodore Payne Foundation
- 2014 South Coast Air Quality Management District SIP Advisory Board
- 2014 Cal Poly Pomona Masters of Science Regenerative Studies Program review committee
- 2012- *Editorial board*, Cambridge University Press: *New Directions in Sustainability and Society* book series
- 2011 *Member*, Technical Advisory Committee for the Western Wildland Environmental Threat Assessment Center, USFS
- 2011 *Member*, National Taskforce, Vibrant Cities and Urban Forests, US Forest Service & New York Restoration Project. Advise USFS about research priorities for urban natural resource stewardship

- 2008 to present *Academic Director*, Los Angeles Regional Collaborative for Climate Action and Sustainability
- 2009 *Advisor*, Los Angeles County Citizen Grand Jury, water policy in Southern California
- 2008 *Member*, California Environmental Justice Coalition for Water
- 2008-09 *Member*, County of Los Angeles Oak Preservation Task-Force
- 2007-09 *Governor's Appointee*, Southern California Alluvial Fan Taskforce. Mission developed a model ordinance to guide land use decision for alluvial fans
- 2007 *Advisor*, International workshop to review proposal for research strategy for the National Research Council of Oman, Muscat, Oman
- 2005 *Member*, National Science Foundation Review Panel, Office of International Science and Engineering, Partnerships for International, Research and Education
- 2002-2003 *Member*, National Academy of Sciences Ford Foundation Minority Predoctoral Fellows Award Committee
- 2002-2003 *Member*, Conference Planning Committee, American Society of Environmental Historians
- 2002 *Grant Proposal Reviewer*, the Austrian Science Fund
- 2002-04 *Member*, Conference Planning Committee, California Studies Association
- 2002 *Member*, Prize Committee, American Society of Environmental Historians

*Reviewer/panelist*, National Science Foundation Grants

*Referee: Landscape and Urban Planning, Environmental Management, Environmental Policy and Planning C, International Journal of Urban and Regional Research, Urban Geography, Journal of Industrial Ecology, Landscape and Urban Planning, GeoForum, Space and Polity, Environmental History Review, Society and Natural Resources, Journal of the American Planning Association, Antipode, Cities.
