Evolutionary Change in Human-altered Environments

An International Summit

Speakers

C. Scott Baker, Marine Mammal Program and Department of Fisheries and Wildlife, Oregon State University, USA, and School of Biological Sciences, University of Auckland, New Zealand
Spencer Barrett, Department of Botany, University of Toronto, Canada
Craig Benkman, Department of Zoology and Physiology, University of Wyoming, USA
Louis Bernatchez, Department of Biology, Université Laval, Canada
William Bradshaw, Department of Biology and Center for Ecology and Evolutionary Biology, University of Oregon, USA
Ryan Broddrick, Director, California Department of Fish and Game, USA
Scott Carroll, Department of Entomology, University of California, Davis, USA
David Coltman, Department of Biological Sciences, University of Alberta, Canada
Katrina M. Dlugosch, Department of Ecology and Evolutionary Biology, University of California, Santa Cruz, USA
Scott Edwards, Department of Organismic and Evolutionary Biology, Harvard University, USA
Robert Fleischer, Genetics Program, Smithsonian National Museum of Natural History, USA
Richard Frankham, School of Biological Sciences, Macquarie University, Australia
Dany Garant, Département de Biologie, Université de Sherbrooke, Canada
Rosemary Gillespie, Department of Environmental Science, Policy and Management, University of California, Berkeley, USA
Phil Hedrick, Department of Biology, Arizona State University, USA
Jessica Hellmann, Department of Biological Sciences, University of Notre Dame, USA
Andrew Hendry, Department of Biology, McGill University, Canada
Jeffrey A. Hutchings, Department of Biology, Dalhousie University, Canada
Michael Kinnison, Department of Biological Sciences, University of Maine, USA
Paul Leberg, Department of Biology, University of Louisiana-Lafayette, USA
Carol Eunmi Lee, Department of Zoology, University of Wisconsin, USA
Georgina Mace, National Environment Research Council Centre for Population Biology, Imperial College London, United Kingdom
Robert Mangold, Director, Forest Health Protection, United States National Forest Service, USA
Juha A. Merilä, Department of Ecology and Systematics, University of Helsinki, Finland
Craig Moritz, Museum of Vertebrate Zoology, University of California, Berkeley, USA
Mary Nichols, Institute of the Environment and School of Law, University of California, Los Angeles; former Secretary of Resources for the State of California, USA
Oliver Pergams, Department of Biological Sciences, University of Illinois at Chicago, USA
Ettore Randi, Istituto Nazionale per la Fauna Selvatica, Italy
Mark Reynolds, The Nature Conservancy, California Program, USA
David Reznick, Department of Biology, University of California, Riverside, USA
Loren Rieseberg, Department of Biology, University of Indiana, USA
Kaustuv Roy, Division of Biological Sciences, University of California, San Diego, USA
Pierre Saumitou-Laprade, Laboratoire de Génétique et Évolution des Populations Végétales, Université de Lille 1/Centre National de la Recherche Scientifique, France
Ole Seehausen, Institute of Zoology, University of Bern, Switzerland
Hans Slabbeekoom, Behavioural Biology, Leiden University, Netherlands
Thomas Smith, Center for Tropical Research and Department of Ecology and Evolutionary Biology, University of California, Los Angeles, USA
Victoria Sork, Department of Ecology and Evolutionary Biology, University of California, Los Angeles, USA
Andrew Suarez, Department of Entomology and Department of Animal Biology, University of Illinois at Urbana-Champaign, USA
Pierre Taberlet, Laboratoire de Ecologie Alpine, Centre National de la Recherche Scientifique, Université Joseph Fourier, France
Frédéric Thomas, Centre National de la Recherche Scientifique, Montpellier, France
Neil D. Tsutsui, Department of Ecology and Evolutionary Biology, University of California, Irvine, USA
Marcel Visser, Netherlands Institute of Ecology, Netherlands
Robin Waples, Northwest Fisheries Science Center, National Marine Fisheries Service, USA
Robert Wayne, Department of Ecology and Evolutionary Biology, University of California, Los Angeles, USA
Kenneth Whitney, Department of Ecology and Evolutionary Biology, Rice University, USA

Policy Advisory Committee

Michael Bean, Attorney, Chair, Wildlife Program, Environmental Defense, USA
Ryan Broddrick, Director, California Department of Fish and Game, USA
Gabriela Chavarria; Director, Natural Resources Defense Council Science Center, USA
Ellie Cohen, Executive Director, PRBO Conservation Science, USA
Frank Davis, Professor, Landscape Ecology and Conservation Planning, Donald Bren School of Environmental Science & Management, University of California, Santa Barbara
Sylvia Fallon, Conservation Genetics Fellow, Natural Resources Defense Council, USA
Madelyn Glickfeld, Lecturer in Conservation Planning, Institute of the Environment, University of California, Los Angeles and former Assistant Secretary, California Resources Agency, USA
David Hayes, Global Chair of the Environment, Land & Resources Department, Latham and Watkins, USA
Terri Kempton, California Invasive Species Project Manager, Sustainable Conservation, USA
Charles Kennel, Distinguished Professor, Center for Atmospheric Sciences, Scripps Institute, University of California, San Diego, USA
Tim King, United States Geological Survey-Biological Resources Division (USGS-BRD), Leetown Science Center, Aquatic Ecology Branch, USA
Tom Lacher, Senior Vice President and Executive Director, Center for Applied Biodiversity Science, Conservation International, USA
Robert Mangold, Director, Forest Health Protection, United States Department of Agriculture (USDA) National Forest Service, U.S.A.
Felicia Marcus, Executive Vice President and Chief Operating Officer, Trust for Public Land, USA
Mary D. Nichols, Director, Institute of the Environment, University of California, Los Angeles, USA (Policy Advisory Committee Chair)
David Olson, Director of Science and Stewardship, Irvine Ranch Land Reserve Trust, USA
Richard Rayburn, Chief of Resource Management, California Department of Parks and Recreation, USA
Mark Reynolds, Senior Ecologist for Emerging Projects, The Nature Conservancy, California Program, USA
John Robinson, Executive Vice President for Conservation and Science, Wildlife Conservation Society, USA
Deborah L. Rogers, Director of Conservation Science, Center for Natural Lands Management, and Conservation Geneticist, Genetic Resources Conservation Program, University of California, Davis, USA.
Ray Sauvajot, Chief of Planning, Science and Resource Management, Santa Monica Mountains National Recreation Area, USA
Jerry Schubel, Chief Executive Officer and President, Long Beach Aquarium of the Pacific, USA
André Talbot, Section Head, Fluvial Ecosystems Research, Aquatic Ecosystem Protection Research Division, Environment Canada/Environnement Canada
Woody Turner, Program Scientist, National Aeronautics and Space Administration (NASA), USA
